

Our PowerTOP Xtra Family

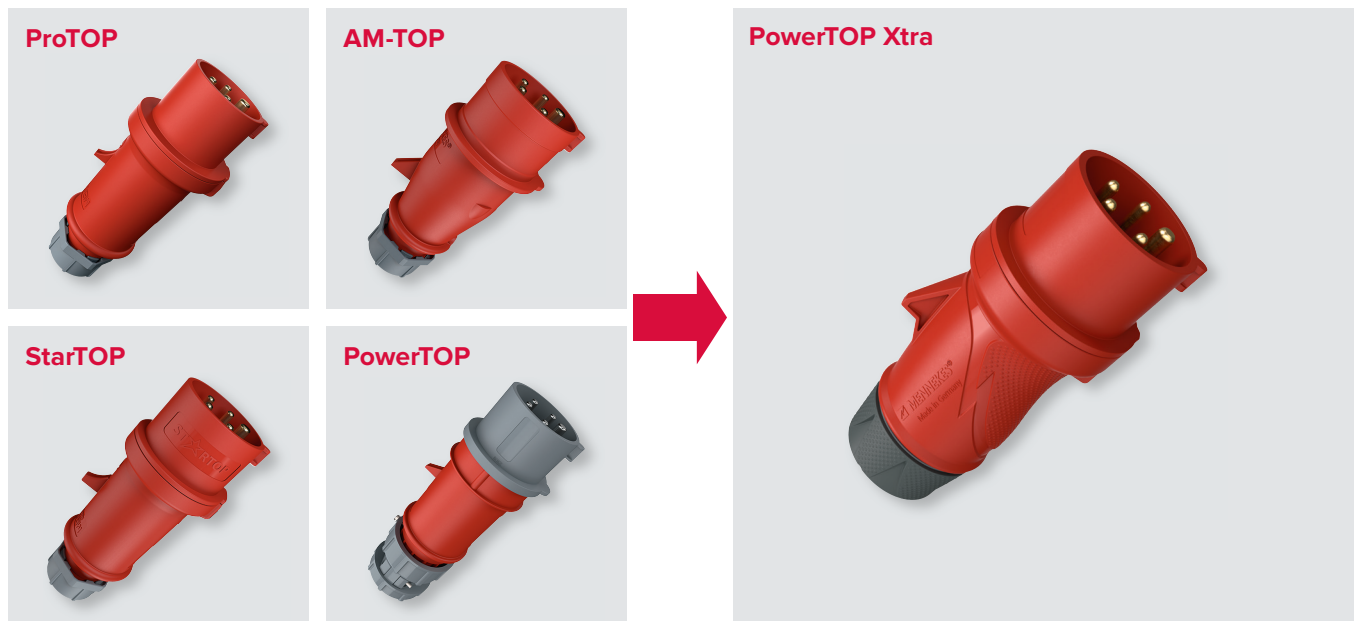

Now easy to switch

The future belongs to PowerTOP Xtra

The plugs and connectors of our PowerTOP Xtra family in 16 and 32 A replace the products of the older StarTOP, AM-TOP, ProTOP, and PowerTOP series. We've prepared a table to help you transition. The older article numbers are listed on the left, and the new ones that have replaced them are on the right. This makes it quick and easy for you to find the right new products.

Plugs and sockets for all applications

The PowerTOP Xtra has a lot to offer: special ergonomic designs and robust materials ensure secure handling and long product lives. Clever features let you easily install the plugs and connectors with a minimum of tools. Two connection technologies ensure secure, easily achieved connections. All PowerTOP Xtra connectors feature our ingenious X-CONTACT contact sleeve technology, which makes it especially easy to connect and disconnect plugs.
