

## Cepex panel mounted receptacle

Part no. 4117

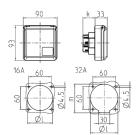

- screw terminals
- also suitable for installation in cable ducts and columns
- meeting DIN 18032 standards for ball rebound

## Technical specifications

| Ampere                    | 32 A          |
|---------------------------|---------------|
| Poles                     | 3 p           |
| Voltage                   | 230 V         |
| Clock position            | 6 h           |
| Hertz                     | 50-60 Hz      |
| Protection type           | IP 44         |
| Shutter                   | false         |
| Weight                    | 216 g         |
| Declaration of Conformity | VDE, EAC, CQC |
