

Connector PowerTOP plus

Part no. 3273

- **X-CONTACT**
- highly heat resistant contact carrier
- frame terminals
- cable gland and sealing
- strain relief and protection against kinking

Technical specifications

| | |
|---------------------------|---------------------------------------------------|
| Ampere | 63 A |
| Poles | 4 p |
| Voltage | 230 V |
| Clock position | 9 h |
| Hertz | 50-60 Hz |
| Connection technology | Screw terminals |
| Contact | highly heat resistant contact carrier, X-CONTACT® |
| Protection type | IP 44 |
| Weight | 778 g |
| Declaration of Conformity | VDE, EAC |
