

## Panel mounted inlet

Part no. 3914

- screw terminals
- highly heat resistant contact carrier • •
- nickel plated contacts
- with protective cap

•

## **Technical specifications**

Ampere	16 A
Poles	7 p
Voltage	400 V
Clock position	6 h
Hertz	50-60 Hz
Connection technology	Screw terminals
Contact	nickel plated contacts, highly heat resistant contact carrier
Protection type	IP 67
Weight	326 g
Declaration of Conformity	EAC
