

Cepex grounding-type flush mounted receptacle

Part no. 4902

- french-belgian standard
- screw terminals
- with flush mounted installation box
- meeting DIN 18032 standards for ball rebound

Technical specifications

Ampere	16 A
Poles	2 p+E
Voltage	230 V
Hertz	50-60 Hz
Protection type	IP 44
Shutter	true
Weight	230 g
Declaration of Conformity	EAC
